Reference: AUX.02/2017

Position title: Research assistant

Group: Protein and Peptide Chemistry laboratory

Job description (function and tasks):
The tasks associated to this position will be the identification of new drugs for the modulation of Bcl-2 protein interactions in the mitochondrial membrane. The candidate will be involved in the evaluation of chemical libraries in high throughput assays of protein/protein Interaction.

Research Center description:
The Prince Felipe Research Centre, CIPF, was created to develop first-rate, competitive and internationally relevant research in the fields of Neurobiology, Advanced Therapies, Rare & Genetic Diseases, Molecular Mechanisms of Disease and Computational Genomics. The research centre, located in Valencia, occupies an area of 32,000 m2 and it is equipped with the most advanced infrastructures, facilities and technological equipment.

Basic requirements of the position:
- The candidate must hold studies related to biomedical sciences
- High level of English both spoken and written
- Skilled to work in a multidisciplinary team.
- Experience in cell culture and molecular biology.

Merits:
- A degree in Biology, pharmacy, Medicine, Biotechnology or similar disciplines will be positively evaluated
- Experience in animal experimentation will be valued.
- Previous work in Biomedicine work will be positively evaluated

Contract
- Professional category: Research assistant
- Salary Level: (Salary level as stipulated in the Convenio de Sanidad Privada de la Provincia de Valencia)
- Funding Source/Project: SAF2014-52614-R
- Duration: 6 months
- Starting date: 1st of May 2017
- Working day: Full time
- The deadline for receipt of resumes will be open until April 26th, 2017
How to present your candidacy?

Interested candidates should send their CV, cover letter and references only by email to the following address: selection@cipf.es.

In order to comply with Law 15 /1999 of December 13, for The Protection of Personal Data, we inform you that the personal data contained in your resume will be included in a personal data file owned by the Foundation Prince Felipe Research Centre, CIPF, to enable you to participate in our recruitment process, and if appropriate, it may be used for processing appropriate aid, grants and funding to enable this recruitment.

By submitting your resume, you agree to your personal data to be treated in the commented terms, allowing CIPF to share this data with other public and private institutions with the exclusive aim of applying for grants for the financial funding of this institution and its research projects linked to your data.

You may exercise your rights of access, rectification, cancellation and opposition by writing to CIPF, Calle Eduardo Primo Yúfera, 3, CP 46012 Valencia and attaching your ID.
