Reference: P.I.02/2018

Position title: Pre-Doctoral Researcher

Group: Neuronal and Tissue Regeneration Laboratory

Job description (function and tasks):

Experimental development of a line of biomedical research related to the regeneration of epithelial tissue by using stem cells and biomaterials being the basis for the development of a doctoral thesis. The candidate should be involved in the development and implementation of special techniques (biological material techniques, such as cell cultures, histological studies, molecular biology techniques, biochemical techniques and other specialized complementary techniques such as data elaboration, composition of Graphs, tables, etc.), as well as the interpretation and presentation of results in group meeting and center meetings.

Research Center description:

The Prince Felipe Research Centre, CIPF, was created to develop first-rate, competitive and internationally relevant research in the fields of Neurobiology, Advanced Therapies, Rare & Genetic Diseases, Molecular Mechanisms of Disease and Computational Genomics. The research centre, located in Valencia, occupies an area of 32,000 m² and it is equipped with the most advanced infrastructures, facilities and technological equipment.

Basic requirements of the position:

- Qualifications required: Candidates must have at least Degree in biology, biotechnology or similar
- A good level of English
- PhD are not eligible
- Possess the necessary requirements to be able to formalize the enrollment in a university doctorate program in research phase
- Not more than 5 years after the completion of their undergraduate or graduate studies.
- Not having a previous internship contract.

Merits:

- Experience in cell cultures and molecular and cellular biology techniques (eg immunofluorescence, immunofluorescence, ELISA, qPCR, etc.)
- Accreditation (A, B) of the use of experimental animals
- Be communicative, assertive and skilled to work in a multidisciplinary team.
Contract

- Professional category: Researcher Staff
- Salary Level: (Salary level as stipulated in the Convenio de Sanidad Privada de la Provincia de Valencia)
- Funding Source/Project: Vivanta
- Contract: Training contract
- Duration: 1 year
- Starting date: 2nd of November 2018
- Working day: full time
- The deadline for receipt of resumes will be open until October 20th, 2018

How to present your candidacy?

Interested candidates should send their CV, cover letter and references only by email to the following address: selection@cipf.es.

In order to comply with Law 15/1999 of December 13, for The Protection of Personal Data, we inform you that the personal data contained in your resume will be included in a personal data file owned by the Foundation Prince Felipe Research Centre, CIPF, to enable you to participate in our recruitment process, and if appropriate, it may be used for processing appropriate aid, grants and funding to enable this recruitment.

By submitting your resume, you agree to your personal data to be treated in the commented terms, allowing CIPF to share this data with other public and private institutions with the exclusive aim of applying for grants for the financial funding of this institution and its research projects linked to your data.

You may exercise your rights of access, rectification, cancellation and opposition by writing to CIPF, Calle Eduardo Primo Yúfera, 3, CP 46012 Valencia and attaching your ID.
