Reference: AYI.06/2018

Position title: Research assistant

Research Project between different laboratories and areas (Molecular Neuroendocrinology laboratory and Oncogenic Signalling laboratory)

Job description (function and tasks):

Technician position within the Program of “Molecular Basis of Human Disease” offering the opportunity to form part of a multidisciplinary collaboration aimed at testing the potential mechanistic importance of autophagy in the pathogenesis of metabolic liver disease.

Research Center description:

The Prince Felipe Research Centre, CIPF, was created to develop first-rate, competitive and internationally relevant research in the fields of Neurobiology, Advanced Therapies, Rare & Genetic Diseases, Molecular Mechanisms of Disease and Computational Genomics. The research centre, located in Valencia, occupies an area of 32,000 m2 and it is equipped with the most advanced infrastructure, facilities and technological equipment.

Basic requirements of the position:

- Qualifications required: The candidate must have at least a Higher Education Degree in Healthcare.
- A good level of written and spoken English.

Merits:

- Experience in basic research in the field of metabolic diseases
- Have worked with human and murine cellular models
- Experience in image analysis
- Experience in transcriptomic and proteomic analysis
- Knowledge and / or experience in the field of autophagy and methods to analyze the autophagic flow
- Knowledge and / or experience in the field of protein homeostasis and methods to analyze protein synthesis and degradation

Valuation Criteria:

1. Training - 50%
   1.1. Academic Qualifications
   1.2. Complementary Training
2. Basic research experience - 40%
   o In molecular and cellular biology techniques (PCR, Western blot, immunofluorescence microscopy, protein and chromatin immunopurification, RIP-Seq)
3. Other merits - 10%

Contract

- Professional category: Research assistant
- Salary Level: (Salary level as stipulated in the Convenio de Sanidad Privada de la
- Duration: 7 months
- Starting date: 15/10/2018
- Type of contract: Full-time
- The deadline for receipt of resumes will be open until October 5th, 2018
