Reference: AYI.06/2020

Position title: Research Assistant

Group: Cellular and Molecular Pathology of Alcohol

Job description (function and tasks):

Person with experience to work as a member of the Cellular and Molecular Pathology of Alcohol laboratory, whose objective is to study the molecular mechanisms of alcohol actions in the adult and developing brain in the research project funded by Plan Nacional sobre Drogas (Ministerio de Sanidad, PNSD 2018 I003). The person who is incorporated will be in charge of both the colony of animals, the cell cultures and will collaborate with the personnel titled in the investigation work and following the guidelines of the Chief of laboratory.

Person with training in Cellular and Molecular Biology techniques with experience in cell cultures and culture media preparation, establishment of primary cultures of neurons and glial cells, and basic techniques of cellular and molecular biology, such as immunoblotting, immunofluorescence, quantitative PCR or cytometry

Research Center description:

The Prince Felipe Research Centre, CIPF, was created to develop first-rate, competitive and internationally relevant research in the fields of Neurobiology, Advanced Therapies, Rare & Genetic Diseases, Molecular Mechanisms of Disease and Computational Genomics. The research Centre, located in Valencia, occupies an area of 32,000 m² and it is equipped with the most advanced infrastructures, facilities and technological equipment.

Basic requirements of the position:

- Experience in cellular and molecular biology techniques
- Diploma B or C in handling and working with experimental animals
- High level of English both spoken and written.
- Good communicator, assertive and with the ability to work in a multidisciplinary team

Experience required:

- Perfusion of experimental animals for immunohistochemical studies.
- Experience in Biochemistry and Molecular Biology techniques: RNA and DNA extraction, genotyping, miRNAs.
- Experience in ELISA, inmunoprecipitación and Western Blotting techniques.
- Statistical analysis of the data

Merits:

1. Training - 15%
 - a. Academic Qualifications - 5%
 - b. Complementary Training - 10%
2. Experience in working with experimental animals 25%
3. Experience in primary cultures of nervous cells (glia and neurons) -25%
4. Statistical análisis of data 25%
5. Other merits. – 10%

Contract

- Professional category: Research assistant
- Salary Level: (Salary level as stipulated in the Convenio de Sanidad Privada de la Provincia de Valencia)
- Duration: 1 year
- Starting date: 01/01/2021
- Working day: Full time
- The deadline for receipt of resumes will be open until December 18th, 2020.

Selection process:

The system will consist in the following phases:

- 1) Phase of compliance with the requirements established in the call. Only candidates with the essential requirements will be considered.
- 2) Merit valuation phase.
- 3) Interview phase (The 3 candidates with the highest score in the merit phase will go to the interview phase)

The selected candidates will go to the interview phase.

How to present your candidacy?

Interested candidates should send their CV, cover letter and references only by email to the following address: selection@cipf.es.

In order to comply with Law 15 /1999 of December 13, for The Protection of Personal Data, we inform you that the personal data contained in your resume will be included in a personal data file owned by the Foundation Prince Felipe Research Centre, CIPF, to enable you to participate in our recruitment process, and if appropriate, it may be used for processing appropriate aid, grants and funding to enable this recruitment.

By submitting your resume, you agree to your personal data to be treated in the commented terms, allowing CIPF to share this data with other public and private institutions with the exclusive aim of applying for grants for the financial funding of this institution and its research projects linked to your data.

You may exercise your rights of access , rectification, cancellation and opposition by writing to CIPF, Calle Eduardo Primo Yúfera , 3, CP 46012 Valencia and attaching your ID.

Please indicate the offer reference number in the subject field. If you have any questions about this offer, please contact the Human Resources Department by email to: recursoshumanos@cipf.es
