Reference: AYI.01/2021

Position title: Laboratory Technician

Group: Cell and Molecular Pathology of Alcohol

Job description (function and tasks):

The selected candidate will be part of the team in the Alcohol Cell and Molecular Pathology laboratory, which studies the molecular mechanisms of the actions of alcohol in the adult and developing brain.

The main task of the selected person will be to carry out the project "Biomarkers of brain damage and treatment to alleviate the neurological and behavioral alterations of alcohol abuse during adolescence", through the use of basic techniques of biochemistry and cell biology and molecular.

Research Center description:

The Prince Felipe Research Centre, CIPF, was created to develop first-rate, competitive and internationally relevant research in the fields of Neurobiology, Advanced Therapies, Rare & Genetic Diseases, Molecular Mechanisms of Disease and Computational Genomics. The research centre, located in Valencia, occupies an area of 32,000 m² and it is equipped with the most advanced infrastructures, facilities and technological equipment.

Basic requirements of the position:

- The candidate must have a Spanish degree in Health Sciences or Biotechnology.
- Possess the degree for the handling and use of animals for experimentation
- High level of English both spoken and written

Experience required:

- Experience in techniques in the field of Neuroscience
- Experience in cellular and molecular biology techniques such as Western blot, immunofluorescence, ELISA, qPCR, etc.
- Qualification for the handling and use of experimental animals.

Merits:

1. Training
 - 1.1. Academic Qualifications
 - 1.2. Complementary Training
2. Experience in primary cultures of glial and neurons
3. Knowledge of immunofluorescence, Western Blotting, pPCR, miRNAs...
4. Experience in statistical analysis of the data

Valuation criteria:

1. Training - 15%
 - a. Academic Qualifications - 5%
 - b. Complementary Training - 10%
2. Experience in handling experimental animals and colony control- 25%
3. Knowledge of cells cultures, and primary cultures of glial and neuronal cells - 25%
4. Experience in Western Blotting , RT-PCR, miRNAs, statistics – 25%
5. Other merits. – 10%

Contract

- Professional category: Research assistant
- Salary Level: (Salary level as stipulated in the Convenio de Sanidad Privada de la Provincia de Valencia)
- Funding Source/Project: Research project reference: 2018I003, PNSD
- Duration: 11 months
- Starting date: February 1
- Working day: 40 hours
- The deadline for receipt of resumes will be open until 20th January, 2021

Selection process:

The system will consist in the following phases:

- 1) Phase of compliance with the requirements established in the call. Only candidates with the essential requirements will be considered.
- 2) Merit valuation phase.
- 3) Interview phase (The 3 candidates with the highest score in the merit phase will go to the interview phase)

The selected candidates will go to the interview phase.

How to present your candidacy?

Interested candidates should send their CV, cover letter and references only by email to the following address: selection@cipf.es.

In order to comply with Law 15 /1999 of December 13, for The Protection of Personal Data, we inform you that the personal data contained in your resume will be included in a personal data file owned by the Foundation Prince Felipe Research Centre, CIPF, to enable you to participate in our recruitment process, and if appropriate, it may be used for processing appropriate aid, grants and funding to enable this recruitment.

By submitting your resume, you agree to your personal data to be treated in the commented terms, allowing CIPF to share this data with other public and private institutions with the exclusive aim of applying for grants for the financial funding of this institution and its research projects linked to your data.

You may exercise your rights of access , rectification, cancellation and opposition by writing to CIPF, Calle Eduardo Primo Yúfera , 3, CP 46012 Valencia and attaching your ID.

Please indicate the offer reference number in the subject field. If you have any questions about this offer, please contact the Human Resources Department by email to: recursoshumanos@cipf.es
