

 PRINCIPE FELIPE CENTRO DE INVESTIGACION	FORMULARIO	D100-P-02-F-01
	JOB OFFER	
	Nº edición: 01	Página 1 de 5

Reference: R2.I.04/2021

Position title: Researcher R2.I

Group: Laboratory of Neurobiology

Job description (function and tasks):

- Performance and evaluation of psychometric tests in patients and controls
- Measurement of eye movements using OSCANN™ equipment
- Performing computerized memory tests to patients and controls
- Obtaining serum and plasma in human blood samples.
- Isolation of peripheral mononuclear cells (PBMCs) from human blood.
- Isolation of TCD4+ lymphocytes from peripheral mononuclear cells
- Cultures of PBMCs and TCD4 + lymphocytes
- Determination of interleukins in cultures and serum.
- Protein analysis by Western blotting techniques
- Determination of blood ammonium levels.
- Study of the immunophenotype in blood cells
- Use of data analysis and data representation programs: SPSS, excell, GraphPad Prism. Performing correlation analysis, ANOVA, ANCOVA, logistic regressions, sensitivity and specificity analysis, ROC curves...
- Supervision of predoctoral and master students

Research Center description:

The Prince Felipe Research Centre, CIPF, was created to develop first-rate, competitive and internationally relevant research in the fields of Neurobiology, Advanced Therapies, Rare & Genetic Diseases, Molecular Mechanisms of Disease and Computational Genomics. The research centre, located in Valencia, occupies an area of 32,000 m² and it is equipped with the most advanced infrastructures, facilities and technological equipment.

Basic requirements of the position:

- Qualifications required: The candidate must have a degree in Biological Sciences or related disciplines and a PhD degree.
- Work experience in research laboratories, minimum 10 years.
- High level in spoken and written English.

Experience required:

- PhD in Biological Sciences or related disciplines.
- Work experience in research laboratories in the area of hepatic encephalopathy, minimum 5 years.
- Minimum experience of 5 years in psychometric tests (PHES), attention tests, motor coordination test, bimanual coordination test, TAVEC memory test, SF36, Critical Flicker Frequency.

Merits:

1. Training
 - PhD degree
 - High level of both spoken and written English.
2. Experience. of more than 5 years in the performance of psychometric tests (PHES), attention tests, motor coordination test, bimanual coordination test, TAVEC memory test, SF36, Critical Flicker Frequency
3. Knowledge of database management with SPSS and Excel, Word, GraphPad Prism, Power Point. Experience in: data analysis, correlations, ANOVA, ANCOVA, logistic regressions, sensitivity and specificity analysis, ROC curves.
4. Experience in:
 - Management of biological samples (obtaining serum and plasma, isolation of erythrocytes and lymphocytes from blood samples).
 - Determination of levels of oxidative stress markers in blood.
 - Cytokines determinations by ELISA and SIMOA
 - Determination of cyclic GMP
 - Measurement of nitrates and nitrites in plasma
 - Determination of blood ammonium.
 - Determination of enzymatic activities related to oxidative stress
 - Determination of oxidative stress by fluorochromes.
 - Study of the immunophenotype in blood cells
 - Evaluation of brain magnetic resonance
5. Other merits:
 - Scientific publications and Congresses in the area of hepatic encephalopathy
 - Certified training for handling experimental animals. Category C

Valuation criteria:

1. Training - 15%
 - 1.1. Academic Qualifications - 5%
 - 1.2. Complementary Training - 10%
2. Experience in psychometric tests (PHES), attention tests, motor coordination test, bimanual coordination test, TAVEC memory test, SF36, Critical Flicker Frequency 25%
3. Knowledge of database management with SPSS and Excel, Word, GraphPad Prism, Power Point. Experience in: data analysis, correlations, ANOVA, ANCOVA, logistic regressions, sensitivity and specificity analysis, ROC curves 25%.
4. Experience in (25%)
 - Management of biological samples (obtaining serum and plasma, isolation of erythrocytes and lymphocytes from blood samples).
 - Determination of levels of oxidative stress markers in blood.
 - Determinations by ELISA
 - Determination of cyclic GMP
 - Measurement of nitrates and nitrites in plasma
 - Determination of blood ammonium.
 - Determination of enzymatic activities related to oxidative stress
 - Determination of oxidative stress by fluorochromes.
 - Study of the immunophenotype in blood cells
 - Evaluation of brain magnetic resonance
5. Other merits. 10%
 - Scientific publications and Congresses in the area of hepatic encephalopathy
 - Certified training for handling experimental animals. Category C

Contract

- Professional category: Researcher R2.I
- Salary Level: (Salary level as stipulated in the Convenio de Sanidad Privada de la Provincia de Valencia)
- Funding Source/Project: Laboratory of Neurobiology
- Duration: 7 months
- Starting date: January 1st, 2022
- Working day: Partial time 37.5 hours / week
- The deadline for receipt of resumes will be open until November 25, 2021.

Selection process:

The system will consist in the following phases:

- 1) Phase of compliance with the requirements established in the call. Only candidates with the essential requirements will be considered.
- 2) Merit valuation phase.
- 3) Interview phase (The 3 candidates with the highest score in the merit phase will go to the interview phase)

The selected candidates will go to the interview phase.

Working conditions:

The CIPF promotes equal treatment and opportunities between women and men, which should be considered a fundamental aspect of the CIPF's labor relations and human resources management.

The CIPF is committed to reconcile a work and family life of its employees and are offering the possibility to benefit from flexible working hours.

The CIPF is committed to complying with the European Charter for Researchers and the Code of Conduct for the Recruitment of Researchers (EU Charter & Code) by developing its human resources strategy for researchers (HRS4R) and through its open, transparent, and merit-based recruitment policy (OTM-R).

HR EXCELLENCE IN RESEARCH

How to present your candidacy?

Interested candidates should send their CV, cover letter and references only by email to the following address: selection@cipf.es.

The CV should remove all personal references: gender, age, marital status, nationality and should not include a photograph.

Please indicate the offer reference number in the subject field. If you have any questions about this offer, please contact the Human Resources Department by email to: recursoshumanos@cipf.es

Basic and detailed information on the processing of personal data

Personal data controller: The data subject is informed that the VALENCIAN COMMUNITY FOUNDATION PRÍNCIPE FELIPE RESEARCH CENTER (hereinafter CIPF), with address at C / D 'Eduardo Primo Yúfera, number 3, 46012 Valencia, contact telephone number 963 289 680 and contact email address info@cipf.es is the responsible for the treatment of the data that you communicate to us in relation to this offer.

Users and data subjects may contact the data protection officer at the following email address: privacy@cipf.es

Legal basis and purposes for processing and storing your personal data: With legal basis in the consent that you grant us with the voluntary communication (i) of personal data; (ii) of those required in this offer as well as in your curriculum vitae and; (iii) where appropriate, from the information provided through the interviews and tests, all the data will be processed in order to store them in the CIPF employment exchange and contact the interested person to send the corresponding communications in the selection process opened through this offer. All personal data will be treated as one more element to be evaluated for decision-making related to the selection for the job, without any decision being made based solely on the automated processing of the data. Likewise, once the selection process for the position offered is completed, except for the exercise of the right of opposition by the interested person, all the personal data indicated will be processed by the CIPF, with legal basis in the legitimate interest of the CIPF, to store them in their employment exchange and have a network of contacts for science and research, in order to contact the person concerned about offers, selection processes and recruitment of personnel that may arise in the future.

Recipients of the data: Personal data will not be communicated to third parties, except legal obligation.

Personal data processors: Third parties in charge of the treatment may process the data of the interested person to provide services to the CIPF, following the instructions of the aforementioned Center, after signing a contract for the treatment with sufficient guarantees of security and confidentiality.

International transfers: They do not exist.

Data conservation period: The data will be kept by CIPF until the deadlines provided in the current regulations are completed, it is for the attention of possible responsibilities and legal obligations.

Exercise of rights regarding the processing of your personal data: The data subject can exercise his/her rights to request access, rectification, deletion, opposition, limitation to treatment, portability and not be subject to a decision based solely on the automated processing of personal data. In particular, the data subject can exercise his/her right to object to the processing of their personal data based on the legitimate interest of the CIPF. You also have the right to withdraw consent at any time, without affecting the legality of the treatment based on the consent prior to its withdrawal. For the exercise of these rights, the data subject can send a request to CIPF indicating the right they exercise and providing a double-sided

photocopy of their ID or legal identification document of their identity, to any of the following addresses:

Postal: C / D 'Eduardo Primo Yúfera, number 3, 46012 Valencia Email: info@cipf.es

Likewise, the data subject is informed of the right to request the tutelage of the Spanish Agency for Data Protection C / Jorge Juan, 6, 28001 Madrid, 901100099 - 912663517 (www.agpd.es) in particular, when you consider that the data have not been obtained in satisfaction of your rights.

Prior to filing that request, you can contact CIPF through the data protection officer privacy@cipf.es.
